Other and more conclusive demonstrations of the efficacy of Dr Evans Camomile Preparation and Aperient Medicines, are submitted by the following. important and extraordinary cures effected by their highly medicinal qualities; all of which inay be ween at Dr. Wm. Evans' Medical Office, No. 7, Division street. One or two of these he herewith respecifully gives to a discriminating public.

Dr. Wm. Evans Sir, be pleased to receive the thanks of one who has been a great sufferer for several years, for the great benefits she has received rom the virtues of your inestimable Camemile Pills She has suffered with pain and distress in the head a lightness across the head, a lightness across the stomach, shortness of breath, and palpitation of the heart; exercise would almost overcome her tobut since using your Camomile Tonic Pills, her complanils are removed she is able to exercise without fatigue and she is happy to say, can enjoy life comtertabiy again.

Newark, July 18, 1836 Dear Sir, for four years I have been so unwell that I was unable to attend to my business, and for the last 4 or 5 months we confined in my room, my complaints were theumatism, pains in my stomach. Indigestion and loss of appetite, with centinued pain and dizziness in my ead; I used different kinds of medicines without effect; until I commenced taking your invaluable Camonule and Apericit Pills; their beneficial efects spon me asionish all who knew my situation. In a few dars I shall be at your office to express my gratitude to you in person. In the mean time I onbscribe myself your most ob't serv's.

Low spirits is a certain state of the mind, accompanied by indigestion, wherein taken by persons subject to Piles. the greatest evils are apprehended upon the slightest grounds, and the worst consequences imagined Ancient writers supposed this disease to be confined to those particular regions of the abdomen sechiocally called hypochoudria, which are situated on the right or left side of that cavity, whence comes the name hypochondrinsis.

Symptoms. The common corporeal symptomic are flatulency in the stomach or bowels, actid cructations, costiveness, spasmodic pains, giddiness, dimness of sight, palpitations, and often an utter inability of fixing the attention upon any subject of importnuce, or engaging in any thing that demands vigor or courage. Also languidaess; the mind becomes irritable, thoughtful, desponding, melancholy and dejected, accompanied with a total derauge-ment of the nervous system. The mental feelings and peculiar train of ideas that baunt the imagina tion and overwhelm the judgment exhibitan infinite diversity. The wisest and best of men are as open to this affliction as the weakest.

TO FEMALES IN DELICATE HEALTH.
The Peristatic Lozenges are strongly recommended to the notice of every Lady, having obtained the sanction and approbation of several audu-nt soudiciren of the Medical Profession, as a safe and valuable medicine in removing obstructions and relieving all other inconveniences to which the female frame is liable, especially those which arise at an early period of life, from want? of exercise and general debility of the system. eminently useful in windy. disorders; pains in lie swomach, shortness of breath and palpitation of the most deficate female, when an aperient is required; may have recourse to them, and they will net ark preventive against those nezvous and hysterical affections which so frequently arise from continned constitution.

LERS GENERALLY. To individuals travelling, more particularly seafaring persons, when from change of habit or cli-mate, the liver and bowels become inactive and costivenessfollows as an invariable result, these Luzenges will prove invaluable. One individual writes, 'I consider myrelf cured of costiveness, to which was always subject the moment I left the land, solely by the use of your medicine," proprietoria continually receiving orders from his scalaring friends for the Lozenges. When they are to be carried to sea, they ought always to be started from the tox in which they are packed and put into tight bottles. In this way they may be kept good for any length of time.

The proprietor offers toem as a cure for nervous head ache and general duralgic affections. -Very remarkable cures neight be published if thought no
